## PARISH MISSION STATEMENT

“We, at the Basilica of the Co-Cathedral of the Sacred Heart of the Diocese of Wheeling-Charleston, are a diverse community of the poor, the disadvantaged and hungry, the well-to-do, the youth, elderly, visitors and those seeking refuge.

As a community of many cultures and races, we stand for unity in our diversity by expressing our love of God the Father through prayer and worship, through service to one another, through the ministry of welcoming, through evangelization and ecumenism. With the Bishop, we shall pursue this mission faithfully through the example of Jesus Christ, the power of the Holy Spirit and the gifts and talents of our members.” All are welcome today, especially visitors, guests and those who might be new to the community.

The Knights of Columbus want to thank everyone who attended our Hot Dog and Ice Cream Social this past Sunday. We felt like it was a nice crowd and hope that everyone had an enjoyable time. We plan to hold our final Hot Dog and Ice Cream Social on August 27 serving as before in the Gathering Space starting after the end of the 10:30 Mass.

We also want to thank all the parishioners who contributed to the Diaper Drive to benefit the Gabriel Project. Your generosity is greatly appreciated.

5:30 pm For the Intention of Mike Mullins

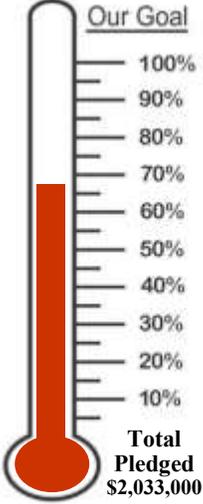

My name is Niki Kurten and it is my pleasure to introduce myself as the new principal of Sacred Heart Grade School. I have been a part of SHGS since the age of three, when I began my school career. After graduating from Charleston Catholic and furthering my education at the University of Charleston, I returned to Sacred Heart as a teacher. It was then that I found my true calling, educating children while sharing my Catholic Faith. I would later send my own children to Sacred Heart where I knew they too, would receive the best education possible. As a student, teacher, and parent at Sacred Heart, I know what makes our school great; it's our wonderful teachers, parents, and community. I look forward to building upon the foundations set by my predecessors and continuing in our tradition of a strong Catholic Faith and academic merit. With your prayers and support, I know we can continue to grow and pave the path of excellence for all students.

## Do you know someone who wants to become Catholic?

The Rite of Christian Initiation of Adults (RCIA) is the process established for the universal Church for individuals to become Catholic and receive the sacraments of Initiation, Baptism, Confirmation, and the Eucharist. This initiation process also involves a parish community experiencing a renewal in faith as it prepares and welcomes new members into the Church. The Rite speaks of conversion as a "spiritual journey." Centered on fostering a deep relationship with Jesus and the Church he founded, this journey takes place through distinct stages over a period of time (late August to Easter) suitable to bring about a thorough catechesis, significant experience of the parish community, and commitment to the liturgical and moral life of the Catholic faithful. The RCIA process is a restoration of the ancient catechumenate, arising within the first three centuries following the era of the apostles. It was the early Church's way of Christianizing the pagan Roman Empire. The Second Vatican Council called for the restoration and use of this venerable and powerful method of initiation for the worldwide Church.

Are you or do you know someone who would like to take this journey? If so, please contact Father Don ([dhiggs@dwc.com](mailto:dhiggs@dwc.com)) or RCIA Director Michael Kawash ([mak@ramlaw.com](mailto:mak@ramlaw.com) or 304-549-6453). An inquiry session will be held in August.

The last few years I have been discerning monastic life with a religious order in England. I discerned to return to West Virginia earlier this year. It was a fruitful time and a place where I was able to grow, primarily in discovering who I am as a child of God. And my desire to serve the people of Wheeling-Charleston grew.

Recently I have been accepted to return to Mount St. Mary's Seminary to continue formation for our diocese. I am excited to be starting first theology this fall. I am looking forward to being among the people of our diocese and the other seminarians again. Please continue to pray for me, and be assured of my prayers as well. *Michael Aiello*

I had a very active summer at St. James the Greater Catholic Church in Charles Town. I worked several camps for the youth at the parish. This included helping promote vocations during Quo Vadis, kayaking, serving as a cooking judge, and most importantly, praying with the children of the parish. This summer, I also went on a mission trip to Webster County, as we worked on home improvements and spreading the Gospel. I also had the opportunity to accompany Fr. Grassi on Communion calls to sick parishioners. "I am returning to The Pontifical College Josephinum for second philosophy. Please continue to pray for me and my fellow diocesan brothers. Thank you and God Bless" *Timothy Kawash*

Hello, Sacred Heart parishioners!

I wanted to briefly update you all on the end of completing my first year of seminary formation. I completed my first of two years of philosophical studies at Mount St. Mary's in May and then spent two months this summer in my pastoral assignment at the parishes in Princeton and Bluefield. While I am just in my first year, I really was able to involve myself in the lives of so many at both parishes and learn a lot from their pastor, Fr. Sebastian Devasya. Now after a brief amount of time off, I will head back to the seminary and continue formation. I additionally will be taking Greek classes this year, which I am looking forward to in order to learn scripture more adequately. As always, when I am home at the Co-Cathedral, I would love to speak with you all! The people of West Virginia are the reason I want to be a priest here! Praised be Jesus Christ!

*To Jesus through Mary, Michael J Tupta*

If you would like to send Timothy Kawash a note his address is: Pontifical College Josephinum, 7625 N. High St, Columbus, OH 43235. Micheal Aiello & Michael Tupta's address is Mount St. Mary's Seminary, 16300 Old Emmitsburg Rd, Emmitsburg, MD 21727.

## THE ASSUMPTION OF THE BLESSED VIRGIN

"TAKEN UP INTO HEAVEN, MARY SHOWS US THE WAY TO GOD THE WAY TO HEAVEN THE WAY TO LIFE."

-Pope St. John Paul II

## Solemnity of the Assumption

The Catholic Church believes that Mary, the mother of Jesus, was assumed body and soul into heaven at the end of her life. We believe in the resurrection of bodies that decay after death; Mary needed no resurrection of the body because hers was preserved from corruption. She was assumed into heaven.

This belief is a counterpart to the Catholic belief in the Immaculate Conception. To prepare a womb for the coming of the Word Made Flesh, God preserved Mary from all sin from the moment of her conception. Mary did not experience any sin—including original sin, which leads to further sin and death. Hence, sinless (immaculate) Mary also did not experience death as other mortals do. She was assumed into heaven.

The Preface for this day was composed after the Second Vatican Council. It includes these ideas about Mary, as well as this idea about the Church: We are a pilgrim people. This image had been enshrined in the council's Dogmatic Constitution on the Church. The entire Church makes a pilgrimage toward heaven. Mary, who achieved this goal, is a sign of hope and comfort for everyone else along the way. She is the beginning and the image of the Church as it comes to perfection.

The Mass for the Solemnity of the Assumption of the Blessed Virgin Mary is celebrated in the evening of August 14 and anytime during the day on August 15. When this solemnity falls on a Sunday, it replaces the prayers and readings of Ordinary Time. August 15 is a holyday of obligation in the United States of America, except in those years when it falls on a Saturday or a Monday. This allows those responsible for preparing Sunday worship to relax a bit more.

## Please consider joining our wonderful choir!

Here is an excerpt from a recent article from the *Washington Post* concerning the physical and mental health benefits of singing with others: "Choirs are large families. Singing in them promotes social bonding & joy. Choir members are more optimistic, less lonely, more likely to contribute positively to community. A sense of achievement comes from creating notes with the body & working together to master a work. The text is often inspiring & beautiful, so despite the day's travails, choir members leave rehearsals feeling as though this is a very positive thing that I can be a part of." The Bible knew that all along. Choirs are a biblical part of God's scheme of worship! Don't miss it in your church! Contact Mark Haas for more information: [mhaas@shccwv.us](mailto:mhaas@shccwv.us)

## From our music director...

### "A Joyful Psalm #99": Psalm 85

"ABOUT FACE! FORWARD MARCH!" When I was in high school and college, I was part of the marching band. We learned discipline, teamwork, and (of course) marching! Often, when you see military marching, you will hear the leader barking the order, "About face!" Immediately, all the marchers turn 180 degrees in the opposite direction. This visual imagery tracts perfectly with the lectionary readings for this weekend.

Psalm 85 was composed during Israel's return from the Babylonian Exile to the land of their fathers. St. Pope John Paul II comments: "In the original Hebrew of Psalm 85, one hears repeated the verb *shûb*, which refers to the return of the deported, but it also means a spiritual *return*, or a *conversion*." Sometimes in our lives, we may stray away from the direction of God. It is through our metanoia (μετάνοια, Greek meaning literally *an about face*) that we begin to walk with God again. "Justice shall walk before him and prepare the way of his steps." (Ps.85:14)

In the Gospel Reading, with his eyes fixed on the Lord Jesus, Peter begins to walk on water. As his eyes drift away, Peter begins to sink into the water. He then shouts the shortest prayer in all of scripture: "Lord, save me!" (Mt.14:30)

May we ever keep our eyes fixed on the Lord, so that we may always "see his kindness" and thus be granted "his salvation." (Ps. 85:7)

Mark Haas, Director of Music

## Fr. Sadie's "Cogitationes" 304-546-4330

The voice of the Church in public life does not threaten democracy. We need the voice of religious leaders to articulate in a secular way their social teachings that are rooted in theological claims.

The Bible teaches that stealing is wrong, but we do not believe the police are imposing a religious belief on others when they arrest a burglar.

When I taught medical ethics to student nurses, I did not state my Church's opposition to abortion. Then and now, religious, philosophical, even atheistic persons believe that every human being is equal in dignity to all other human beings and should be afforded equal rights, especially the most fundamental right to life. Embryology textbooks, then and now, teach that an embryo is a living member of the human species who under the proper conditions will develop from embryo to adult.

The primary obligation of religious leaders is to teach. They influence civic and political life primarily by educating. Pope Francis said, "a good Catholic meddles in politics", Pope Benedict in his encyclical "God is Love" said the Church "cannot and must not remain on the sidelines in the fight for justice. She has to play her part through rational argument, and she has to reawaken the spiritual energy without which justice, which always demands sacrifice, cannot prevail and prosper." Righteous battles against slavery or civil rights would not have succeeded without the prophetic witness and courageous voices of religious leaders and people of faith.

Ironically, many who denounce the Church's stance on abortion welcome her public witness and advocacy when it aligns with their own beliefs such as on the death penalty or access to health care.

The voice of the Church and religious leaders in public life does not threaten democracy, but their voice, transcending ideological or partisan labels, is ever more necessary to exhort people to seek a just society rooted in the common good.
